Administrative Notes:

ADMINISTRATIVE NOTE **1** Provider: Cassano, Kevin HSA

Patient was scheduled for a bilateral breast excisional biopsy to be followed by a post-surgical follow-up with Dr. M. Lazar.

Patient refused Pre-admission lab testing (PAT) on August 19, 2022, and acknowledged that refusing labs may result in the cancellation of surgery.

The surgery was cancelled by the outside provider as a result of refusal to get the required PATs.

This writer contacted the office of Dr. M. Lazar to ask if she still wanted to see this patient for a follow-up appointment. The office responded that Dr. Lazar was consulted and confirmed that no further follow-up appointment is needed. Patient is discharged from the care of Dr. Lazar.
